Fundraiser for Mike Rolff

Mike is a beloved member of our VFW family, and he is currently facing a difficult journey as he recovers from a stroke. In this trying time, we have the opportunity to come together and support him by assisting with his medical expenses and rent. Your compassion and generosity can truly have a profound impact on his recovery. Let's join hands and show Mike just how much we care about him during this challenging period, helping him to regain both his strength and his spirits.
