

Hello,

On behalf of Operation Ruck 22 of Wisconsin, we extend our heartfelt gratitude for your generous support as a sponsor of the 2024 Operation Ruck 22 Event. Your contribution plays a crucial role in helping us make a meaningful impact on the lives of our Veterans.

We are excited to share that, with the collective support of sponsors like you, we successfully raised \$17,000. After covering the event expenses, these funds will be allocated to assist local Wisconsin non-profit organizations dedicated to improving the lives of our Veterans.

We invite you to attend our check presentation event to learn more about the organizations we support. The presentation will take place on February 4th, starting at 6:00 p.m., at VFW Post 1318, 2740 Ski Lane, Madison.

This year, we will recognize Custom Canines, Rivers of Recovery, Hero Center, and Wisconsin Veterans Fishing Camp for their ongoing commitment to our Veterans.

Your partnership means a great deal to us, and we are inspired by your dedication to our mission. Together, we are raising awareness about the critical issue of Veteran and Service Member suicides and providing essential support to those in need. Keep up to date on the impact of your support by following our Facebook page "Operation Ruck 22 of Wisconsin" and our website <https://www.operationruck22.com>.

Thank you again for your generosity and for believing in our work. Together, we are making a difference.

Warm regards,

Operation Ruck 22 of Wisconsin
