## OUR MISSION

Walk for Warriors exists to honor our veterans by raising awareness of the tragedy of veteran suicide and providing meaningful support to those who are struggling.

Through community action, education, and by donating proceeds to local organizations that provide direct services and assistance to veterans, we work to ensure no veteran walks alone.

Walk for Warriors is a fully volunteer-driven effort, ensuring that the maximum amount of funds raised goes directly to supporting local organizations helping veterans in need.

Proceeds from this event will be donated to local organizations that help veterans in need.
