## Greetings Comrades

I hope everyone is doing well. Thank you for giving me the opportunity to serve as your Post Commander for another year. Please do not hesitate to contact me if you have any questions, concerns, or suggestions. I would like to congratulate the Post on achieving All-State and All-American status for the 2023-2024 Program Year.

At our May Post meeting, State Senior Vice Commander Mary Ann Christopherson honored us with attending our Post Meeting. She presented the Post with its 102% Membership Streamer and conducted the Installation of Officers. Unfortunately, this was her last public official act. On May 21<sup>st</sup>, she lost her battle with cancer and passed away. She will be greatly missed but the positive impact she had on so many will forever be present. Rest easy Mary Ann, we now have the watch.

We finished the Program year at 103.62% (257 members) in membership. The National Goal was 102%. It is going to be a challenge to repeat that achievement this year. To achieve 102% membership this year, we need to reach 263 members. Unfortunately, we have had 13 members pass away this past year. If all our annual members renew, we need to recruit or reinstate 13 members to achieve 100%. To achieve 102%, we need a total of 19. We can achieve this.

Here is an outline of the incentives available this year:

- Free Life Membership upgrade to the first Comrade that contacts Gundel Metz to convert their membership and will commit to supporting one Community event in the coming year. Email: vfw1318@hotmail.com
- \$100 rebate to any Annual Member that upgrades to Life Membership. This is in addition to a \$50 rebate offered by the State for the first 70 members who convert from Annual to Life Membership.
- \$100 rebate to the first five (5) members who convert from Life Membership to Legacy Life Membership.
- 1<sup>st</sup> Member recruited/reinstated: Name entered into a drawing to be held at the end of the year.
- 3 Members recruited/reinstated: \$50.
- 10 Members recruited/reinstated: \$100.
- Gundy and I are not eligible for these incentives.

# MEMORIAM FOR PAST STATE SENIOR VICE-COMMANDER MARY ANN CHRISTOPHERSON

The world bids farewell to Mary Ann Christopherson of Eau Claire, Wisconsin, departing on May 21, 2024 at the age of 71. Mary Ann leaves behind memories cherished by the community. Leave a sympathy message to the family in the guestbook on this memorial page of Mary Ann Christopherson to show support.

In the quiet moments of reflection, amidst the gentle rustle of leaves and the whispered song of the stars, we shall carry Mary Ann's memory with us, a guiding light illuminating the path ahead. May Mary Ann's journey be filled with peace and serenity, as her find rest in the embrace of eternity.

Keep Mary's legacy alive by donating to a charity in need.

(Editors Note: I knew Mary Ann for over 22 years and she was a no-nonsense individual who is greatly missed by the VFW members. She would have been a great State Commander and the State VFW is carrying out her vision for the 24-25 year. All her appointments stay the same and this is her program year. I had the honor to represent the Post along with Post Commander, Steve Eisenhauer, to attend her memorial service.)

## AUXILIARY PRESIDENT'S MESSAGE

Hello Everyone,

The heat is on and it feels great!

We've had pancake breakfasts every month and they are wonderful! The next one is Sunday July 28th. This one is hosted by the Auxiliary. We love doing it and are anxious to see everyone there. The food is so delicious, and it is AYCE pancakes, (all you can eat pancakes). What a way to start your week, get to the V for a beautiful breakfast.

The convention is now over. Convention is always a fantastic way to network and see what is working for other Auxiliaries all over the great state of Wisconsin.

We don't have a lot of activities planned as an Auxiliary this summer, but please check the Facebook page for the V and see everything you have to choose from at the Post! Never ending activities to choose from.

We are welcoming new members all the time. Please check to see if you are eligible to join us. We would love it.

Thank you for your time, and I will see you at the Pancake Breakfast Sunday July 28 from 8:00 to 11:00.

See you soon,

Ellen Evans  
Auxiliary President  
VFW Post 1318

# 115<sup>TH</sup> FIGHTER WING UPDATE

**COMMAND CHIEF MICHAEL ALVAREZ**

As the spring and summer months have come upon us, so has the exercise season, and the 115<sup>th</sup> Fighter Wing has been fully engaged. In the last article I talked a little bit about the changes coming for the Air Force and Air National Guard (and for the entire DOD for that matter) as it pertains to Great Power Competition and the need to be capable of facing threats from near peer adversaries. In particular, I noted that many of the changes affect how we deploy and fight, and the Air Force is transforming dramatically in that regard. The exercises that we have been participating in the last few months reflect that change. One of the methods we are practicing is termed ACE or Agile Combat Employment. This method of combat allows us to move into an undeveloped or less than ideal area quickly and effectively, bringing everything that we will need for combat as well as what we will need to receive, refuel, and relaunch aircraft. Upon arrival, Airmen are expected to defend that patch of dirt until our jets can land there, get replenished, and then get back up in the air and into the fight. Once the jets are back up, the airmen have what they need to be able to extract themselves quickly from that location. As you can imagine, this kind of operation requires a certain skillset and mindset that needs to be sharpened in our folks, and it also requires some new equipment that our airmen need to become expert at using.

In May, the 115<sup>th</sup> FW conducted an ACE exercise at the Eau Claire airport, landing there in a C-130 and receiving and launching F-35s without the usual support of a fully equipped airbase. Not only did this event allow us to practice our capabilities, but it was a chance for the public to see our people in action and get a chance to interact with our airmen. Additionally, in the past month, several of our squadrons participated in exercises in the Volk Field and Ft. McCoy area, training specifically on ground combat tasks at a scale we haven't been able to before. These opportunities have been exceptional and are giving our airmen exposure to vital experiences we will need should we have to conduct near peer engagements.

Our airmen are also developing their leadership abilities through professional development of late to include a Chief's seminar and a two-day course on the topic of leading teams from an organization with trainers from the special operations community. Next up on that vein is a seminar for Senior Master Sergeants coming up this month. We continue to see the benefit of this leadership development in the high-level performance of our teams. The 115<sup>th</sup> Security Forces Squadron just won the top squadron award for the large-scale exercise they were a part of, recognized out of several other squadrons from around the nation, and the 115<sup>th</sup> Fire Department just won the Air National Guard Fire Chief's Association Large Fire Department of the Year! These are just the latest of the accomplishments of our outstanding units.

As I write this, our Operations Group and Maintenance Group professionals are preparing to send up our F-35s to fly over the state for the 4<sup>th</sup> of July to help us all celebrate the independence of this great country. We are tremendously proud and honored to do what we do and are incredibly thankful for all the support from the VFW and Post 1318. We know we wouldn't have the freedom to make the booms and roars while we celebrate without the sacrifices of veterans like you all! Long may wave the red, white, and blue. Fly, Fight, Win!

# VOICE OF DEMOCRACY

BY JOSEPH HINES

This is an appeal to all post members to assist the post leadership to promote the 2024-2025 Voice of Democracy Youth Scholarship Program. Submitting a Voice of Democracy post level winner to our District 2 competition is a requirement for the post to achieve All-State and All-American award status. The Voice of Democracy is the VFW premier scholarship program. Each year nearly 27,000 students compete for more than \$2 million in scholarships and incentives. Students in grades 9-12 compete by writing and recording an audio essay on an annual patriotic theme. This year's theme is "Is America Today Our Forefathers' Vision?" We currently only have one high school that has submitted entrants during the last two years. If you know of an eligible student that you feel would like to participate in this competition, please inform him/her of the Voice of Democracy Scholarship Program. You can find eligibility and entry information at the national VFW website. Go to [vfw.org](http://vfw.org), then click on Community, then click on Youth and Education, then click on Youth Scholarship then look at Voice of Democracy. You will find detailed information on eligibility, rules, and other program information. If you have any trouble finding this information, or have any other questions please contact Joe Hines at 443-655-8457 or at [joebyronhines@gmail.com](mailto:joebyronhines@gmail.com). Please note we must have all submissions to the post by October 31<sup>st</sup>, 2024,

# TEACHER OF THE YEAR

**BY JOSEPH HINES**

This is an appeal to all post members to assist the post leadership to nominate a teacher you may feel is deserving for the 2024-2025 Smart/Maher VFW National Citizen Education Teacher of the Year Award. Submitting a Teacher of the Year nomination is a requirement for the post to achieve All-State and All-American award status. The VFW wants to identify and recognize America’s best educators who instill a sense of national pride in students. Many of you know of a teacher in your local school that has promoted citizenship by scheduling or organizing programs that stimulate interest in America’s history, traditions, Americanism, civic responsibility, flag etiquette and patriotism. We have educators out there in our local community that are making a difference, and we need to recognize these efforts. If you know of a teacher that you would like to nominate you can find eligibility and entry information at the national VFW website. Go to [vfw.org](http://vfw.org), then click on Community, then click on Youth and Education, then look at Teacher of the Year. You will find detailed information on eligibility, rules, and other program information. If you have any trouble finding this information, or have any other questions please contact Joe Hines at 443-655-8457 or at [joebyronhines@gmail.com](mailto:joebyronhines@gmail.com). # POST QUARTERMASTER

The Post and Auxiliary need your help. We would love to do more Post/Auxiliary outreach, hold fundraisers, work within our community, and support our adopted unit. There are a few core people who seem to do all the work and that limits us on how much we can do and what we can accomplish in the community. Even if you are only available once a year to help out, that would be great. Or at least come and support the monthly Pancake Breakfasts and the Meat Raffle's. Come and listen to some great Music on Wednesdays or Saturdays. This is your Post home. Do you have time for about four hours to help distribute Buddy Poppies? We could use a great fundraiser to help pay the mortgage, or even for us to donate to various organizations.

We have sent out the Quarterly Calendar showing what is going on around the Post. Here are a few other functions that we can always use help with or come and support the event: October 12 to help with the Fundraiser for Operation Ruck 22; November 9 we will be holding a fundraiser for Shop with a Copy. All proceeds from these two fundraisers will go the respective organization.

Please let Gundy or Joe Hines know if you are able to volunteer for a function or you have an idea for a fundraiser.

Please support the VFW State Calendar Raffle - \$20.00 and you will be entered into the drawings: Prizes are: 3-\$1000, 10-\$500, 4-\$400, 5-\$300, 1-\$100 and 342-\$50. Contact Gundy if you are interested in purchasing a calendar.

Custom Canine is hosting this month Meat Raffle. Please come out and support them. All proceeds from the Meat Raffle go to Custom Canine
