Greetings Comrades,

I hope everyone enjoyed the holidays with family and friends. Another year has come to a close—one that marked an important milestone for Post 1318 as we celebrated our centennial. It was a busy and successful year that included impactful fundraising events, continued support of our adopted unit, the 115th Fighter Wing, participation in their Family Day event, support of the City of Fitchburg emergency services during Fitchburg Night, and the honor of hosting the National Commander-in-Chief for a meet-and-greet breakfast. I’m sure I’ve missed a few events along the way, which only speaks to how active our Post has been. Check out all the Past Post Commanders pictures on our web page: www.vfw1318.org and click on “About” and then click “Gallery”.

As we begin 2026, I ask that we keep our mission at the forefront of everything we do: to foster camaraderie among U.S. veterans of overseas conflicts; to serve veterans, the military, and our communities; and to advocate on behalf of all veterans to ensure they receive the benefits and recognition they have earned. Our vision remains clear—that veterans are respected, receive their entitlements, and are honored for their sacrifices—guided by our enduring principle to *honor the dead by helping the living*.

In support of this mission and vision, I have established a new committee: the **Walk for Warriors Committee**. The purpose of this committee is to continue the important work of Operation Ruck 22 in the Madison area, which held its final ruck in September 2025. Through Walk for Warriors, we aim to raise awareness of veteran suicide and continue efforts to end this tragedy by increasing public and veteran awareness, while helping connect those at risk with the resources they may desperately need. Details regarding our first Walk for Warriors event will be announced soon.

I look forward to another year filled with meaningful events and service. As always, please reach out if you have ideas or suggestions on how we can better serve our community, our veterans, and their families.

In Comradesship,
Steven Eisenhauer
Post 1318 Commander

ROLLING THUNDER®, INC. WISCONSIN CHAPTER 5

BY WILLIAM MUETHER

Rolling Thunder Activities This Quarter:

- Chapter Vice President Keith Forst and Board of Director Chairman John Barghusen attended the annual Rolling Thunder Conference in DC on October 31st to November 1st.
- Mr. Chuck Konsitzke, Team Lead for the UW MIA Recovery and Identification Project (UW MIA RIP), provided us a mission update of their summer trip to Papua, New Guinea at our November 8th chapter meeting. The difficult jungle site environment posed challenges to team members, several of whom suffered from serious health issues. They were on site for close to two months and Chuck reported the time spent had a positive outcome but could not disclose the results. The team plans to return to the site next year.
- On November 15th, the chapter held a meat raffle at the post, raising \$852.
- Our annual donations this year in support of the UW MIA Recovery and Identification Project, Custom Canines, Rock Valley Community Programs, and Edgerton Community Outreach totaled \$11,000.
- This holiday season, the chapter contributed \$2,025 to our annual initiative supporting local veterans in need.
- The chapter will be hosting the pancake breakfast at the post in February.

Please contact the chapter at rtmadison5@gmail.com if you would like to join us or participate in future events, or if you have questions about Rolling Thunder®, Inc. You do not need to be a veteran or own a motorcycle. All we require is an earnest desire to help raise POW/MIA awareness and assist our local veterans in need.

AUXILIARY PRESIDENT'S MESSAGE

Rose Doucette

Dear Auxiliary Brothers and Sisters,

As the 2025 calendar year comes to an end, I would like to reflect on the past six months while also looking ahead with optimism. I am incredibly proud of the accomplishments of our Auxiliary and the dedication shown by our members.

This year, we had a record number of members attend the State Convention in June. Throughout the summer, many members participated in car and bike shows at the Post. In August, we had the opportunity to tour the 115th Fighter Wing base, and in September, we proudly helped serve a picnic lunch during their Family Day. That same weekend, we supported Operation Ruck 22 by staffing a snack and water station along the route.

Auxiliary members also assisted at the meet-and-greet for VFW National Commander Carol Whitmore. Our second fundraiser for Shop with a Cop was a pancake breakfast held on October 26, which raised more than \$300. In November, both Auxiliary and Post members volunteered at a Badger game brat stand sponsored by the Wisconsin Department of Veterans Affairs. We also hosted a successful craft fair at the Post, raising additional funds for Shop with a Cop. This year, the Auxiliary donated 24 child-sized blankets to the Dane County Sheriff's Office to be distributed to children in need of comfort and support.

Every event—whether large or small—demonstrates our continued commitment to veterans and our community. Looking ahead, I am hopeful that we will continue to build on this momentum. There will be additional fundraisers and celebrations, and we will continue to explore opportunities to work alongside the Post on joint projects, including support for the VFW Foundation's Mental Health Support Fund.

We are looking forward to an upcoming visit from National Auxiliary President Lois Callahan. We will be hosting a special dinner for Lois on April 7, 2026 at the Post. Please mark your calendar. More information will be sent out, once we have all the details identified. We remain committed to honoring veterans who have sacrificed to keep our nation free and to serving as a positive and active voice within our community.

I encourage all Auxiliary members to find areas that inspire them and to bring forward ideas for future events and initiatives. I truly enjoyed hosting the Operation Ruck 22 water station and organizing our Shop with a Cop fundraiser, just as others find fulfillment in projects such as donating blankets to those in need. Our support for the community is demonstrated through every act of service, carried out with care and compassion.

As the new year begins, let us make 2026 a year of growth—trying new things, learning together, and developing the potential within each of us. Together, we are strong. May this year bring wisdom, inspiration, and great joy.

Rose Doucette
Auxiliary President

115TH FIGHTER WING UPDATE

COLONEL DANIEL STATZ

Happy holidays from the 115th Fighter Wing!

Despite the initial budget uncertainties of fiscal year 2026, the resilience of our forces and the strength of our community shone through, ensuring our mission's success. The direct impact on our federal employees was significant, and the incredible outpouring of support from our corporate partners, area businesses, the Badger Air Community Council, Post 1318, and our families and friends was a powerful testament to our collective spirit. This unity not only uplifted our members but also reinforced that together, we can confidently overcome any challenge we may face.

Highlighting its critical role in national and continental defense, the 115th Fighter Wing and its F-35 Lightning II aircraft were key participants in a recent NORAD-led Dynamic Force Employment exercise in Greenland in October 2025. This rapid deployment to the strategically vital Pituffik Space Base demonstrated the wing's ability to project advanced airpower into demanding Arctic environments on short notice. Operating alongside U.S. Air National Guard F-16s, Milwaukee's KC-135s, and the Royal Danish Air Force, the 115th's F-35s showcased their adaptability and reinforced NORAD's capacity to monitor and respond to emerging threats, underscoring Greenland's crucial position in the defense of North America.

The holiday season also brings a time for Wing members to relax and recharge as they take well-deserved time with friends and families. During December's Guard drill, families and friends visited the Fighter Wing for some holiday fun and a photo with Santa. Thanks for all the Post 1318 volunteers that helped make this event a success again this year!

As the new year rolls in, our Aviation package will dedicate the majority of January to participating in Sentry Aloha, a premier exercise providing tailored and realistic combat training for the Air National Guard, U.S. Air Force, and other Department of Defense services. The exercise operates at an intense tempo, with our pilots generating back-to-back combat sorties daily against aircraft with different performance capabilities—a practice known as Dissimilar Air Combat Training. This demanding environment challenges our warfighters to adapt to unpredictable engagements, honing their skills to perform critical homeland defense and overseas combat missions.

Additionally, our Chemical, Biological, Radiological, Nuclear, and high-yield Explosive (CBRNE) Enhanced Response Force Package (CERFP) will be preparing for their upcoming Standardization, Evaluation, and Assistance Team (SEAT) inspection. The SEAT event will rigorously inspect this specialized unit to ensure it is ready to provide rapid life-saving support during major CBRNE disasters or other large-scale emergencies by observing search/extraction, decontamination, medical triage, and fatality recovery operations.

Upon everyone's return from Sentry Aloha, the Fighter Wing will recognize individual and unit level accomplishments at the annual awards ceremony in February. This is always a great time to reflect on the awesome accomplishments of our Airmen and the privilege we have every day to serve our neighbors, state, and nation.

Looking Back at an Incredible 2025 of Events

As we enter 2026, it is important to pause and reflect on what an extraordinary year 2025 was for the Post, a year made even more special as we proudly celebrated our 100th anniversary with a centennial celebration in April. Last year was not just milestone-filled; it was transformational. Our Post grew into a center for activity, community, and veteran support, thanks to dedicated volunteers and members.

Throughout 2025, our calendar was filled with events that brought people through our doors, strengthened camaraderie, and reinforced why the Post exists to serve veterans and our community while providing a welcoming place to gather.

Our weekly favorites created the heartbeat of the Post: Trivia Nights, Karaoke, and WACKO.

These regular events provided consistency, drew in both members and guests, and created an environment where friendships were built and laughter was guaranteed.

We also layered in special events and themed activities that kept things fresh, creative, and engaging for all audiences, including:

- Paint Nites, Hat Burning, Chunky Blanket Workshops, Wreath Classes, and Latin Dance Classes
- Designer Purse Wacko and Drag Bingo
- Puzzle Competitions and Pull Tab Tournaments
- Monthly Meat Raffles and Pancake Breakfasts

These events drew a diverse crowd, ranging from crafters and dancers to competitive players and families, and ensured that there was always something happening at the Post for everyone to enjoy.

We also strengthened our presence in the broader community through outreach and service. Highlights included:

- **Fitchburg Police Community Night Out**, where we served food to the community.
- **115th Fighter Wing Family Day**, volunteers served lunch to military families.
- **UW Badger Tailgate**, where Post and Auxiliary members served food and beverages to fans before they headed into Camp Randall to watch the Badgers defeat the Washington Huskies.
- **Operation Ruck 22 – Table stop for the final march**, marking a powerful and emotional close to ten years of raising awareness of the tragedy of veteran suicide.
- **Car & Bike Nights**, we teamed up with Rolling Thunder Wis Chapter 5 to bring together motorcycles, classic cars, and the community for evenings of camaraderie throughout the summer and early fall
- **Walk for Warriors**, planning for the 2026 event, has officially kicked off. This event will raise awareness of the tragedy of veteran suicide. More details to come on the Walk for Warriors FB page.
- **Battle Buddy Tree**, the first year of this holiday giving initiative to support local veterans in need. The tree was replenished multiple times due to overwhelming community participation, providing essential items to veterans during the holiday season by teaming up with Wisconsin Department of Veterans Affairs Veteran Outreach & Recovery Program (VORP).

Events continued on Page 8

(Events Continued)

By the end of 2025, the Post was not just hosting events. It continued to build community, support veterans, and create memories.
